

**Announcing a Special Program for:  
Self-Employed Coaches, Consultants and Professional Advisors**

**How To Help People Who Want What YOU Do . . .  
Find You Through Someone You BOTH Know, Like and Trust**

If you:

- are a coach, consultant or advisor
- are responsible for generating revenues
- have clients rather than customers
- want to grow your business or practice

You know your income reflects the *QUANTITY* and the *QUALITY* of the clients you serve:

**Quantity X Quality**

To EARN MORE, You must EITHER:

- 1) SEE . . . MORE People
- 2) SEE . . . BETTER People
- 3) Do BOTH

If you start seeing *MORE* people . . . who can benefit from your services, you'll earn more than you are now. It's not easy, but it is . . . obvious.

If you see *BETTER* people . . . whose A.C.T. (Average Client Transaction) is more than what your clients typically buy, you'll earn more, too.

**QUESTION:**

"Are you at a point where growing revenues . . . is a topic of significant interest . . . to you?"

If so, there's a way to help you do precisely that.

In fact, I can show you how to increase the *QUANTITY* and improve the *QUALITY* of the people you meet if . . . you'd truly like to do so.

If this is a priority of yours, BUT . . . you still haven't addressed it, something's missing!

**QUESTION:**

"Since your motivation isn't an issue, you're probably facing one or more these obstacles . . .

1. No TIME
2. No MONEY
3. No SKILLS
4. No STAFF
5. No SYSTEM

Fortunately, there *IS* a SYSTEM that addresses ALL these obstacles:

It's an intensive '*hold-your-hand-and-kick-your-butt-through-the-goalposts-of-success*' coaching program that addresses a common *marketing* challenge most coaches, consultants and advisors do not want! And, it's **100% guaranteed!**

**A SPECIAL INVITATION TO YOU:**

If you're interested, I have a limited number of seats available to participate in this program.

You will receive training, coaching and support to learn everything you need to know to leverage your relationships, referrals and revenues and . . . its **100% Satisfaction Guarantee** . . . means that if it doesn't deliver . . . you pay nothing!
